It's a two horse race

2009 County Council Result

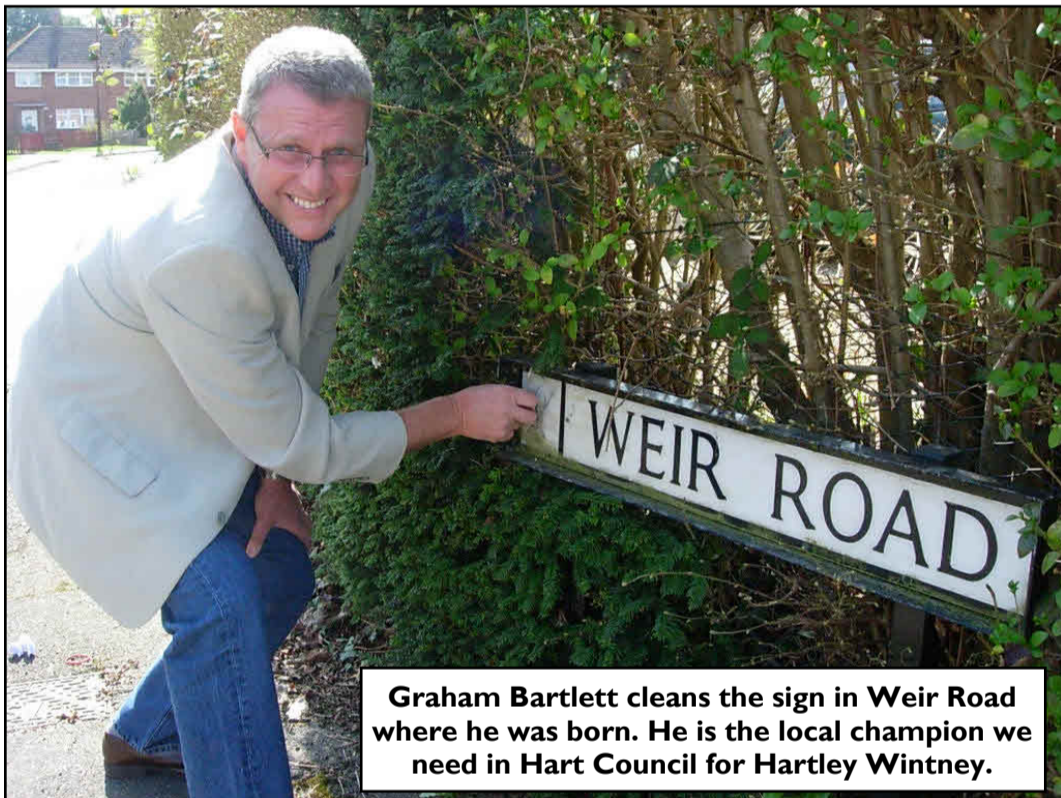

Can't win here!
Labour 167

Con 2288

Lib Dem 2361

Only the Lib Dems can beat the Conservatives in Hartley Wintney. Labour are out of the race with no councillors.

Graham & Denzil will deliver REAL CHANGE for Hartley Wintney

Graham Bartlett cleans the sign in Weir Road where he was born. He is the local champion we need in Hart Council for Hartley Wintney.

Graham was born in Hartley Wintney in 1953. Apart from a short period whilst working at the Fire Service College, he has lived in the village all his life. Married to Sonia, they have three grown-up children and three grandchildren, who also all live in Hartley Wintney.

One of Graham's key objectives is to improve safety in and around Hartley Wintney. Promoting greater use of the two pelican crossings in the village will undoubtedly lead to improved safety, particularly for children and the elderly.

VOTE GRAHAM BARTLETT FOR HART DISTRICT COUNCIL

On 6th May, voters in North East Hampshire will have a choice between Denzil Coulson, a Liberal Democrat candidate for real change or a discredited Conservative MP who abused his expenses. Labour has come a poor third in every general election in NE Hants since 1997 and are out of the race.

It is a choice between more of the same old politics or a new politics that listens and responds to voters on the issues of securing the economic recovery, keeping the NHS in public hands, fighting for more school places and reforming politics to get rid of expense cheats. Denzil says:

"I pledge to commute by train to Parliament and I have absolutely no intention of having a second home in London. With NE Hants about 45 minutes by train from London I will commute daily to work as your MP."

Denzil and some of the Lib Dem team campaigning for change that works for you in Hartley Wintney

Denzil and Graham outside Greenfields School

Like many of you, Graham opposed the Dilly Lane housing development, not least because of the additional traffic it will bring. However, it has been passed and work will commence shortly.

Graham and Denzil are focusing on road safety such as the traffic calming measures to be put outside Greenfields School, where the new extension Lib Dem Cllr David Simpson arranged is going up.

Denzil is a school teacher who is an active campaigner for road safety outside our schools.
